MEMORANDUM FOR: The Deputy Director

SUBJECT: Material Prepared for President Ford

25X1

1. Attached is a package entitled "Problem Issues on the International Scene" which the DCI took with him to the NSC meeting on Saturday, 10 August.

2. This package was prepared by the NIOs in consultation with the appropriate DDO division chiefs and with their appropriate colleagues in DDI and DDS&T. It reflects a great deal of appreciated work by many people throughout the Agency.

3. Externally, the Director gave Dr. Kissinger one copy for the President and one for himself; one copy was given to the Secretary of Defense, one was given [redacted] to General Scowcroft and one (ditto) to Mr. Marsh. Internally, the DCI has a copy as do the recipients of this note as indicated below.

4. We are controlling the distribution because of the sensitivity of two pages in this package, both in the Strategic Programs section: one is the page entitled "Compliance with SALT Agreements" which contains information that is being very closely held. The other is the first page of the note entitled "Proliferation of Nuclear Weapons."
